COW SPLIT CONSTRUCTION LEATHER GLOVES

→ Product overview

Split Cowhide Leather Palm Construction Work Gloves with Rubberized Safety

- **HEAVY DUTY:** Quality split cowhide palm is exceptionally durable and puncture-resistant, protecting hands from the hard task environment;

- **GREAT GRIP:** Ideal for regular construction, logistic, warehousing, driving, forest, ranching, landscaping/gardening, hand tools, and heavy duty works;

- Cotton Fabric Back for comfort fit;
- Safety Cuff for extra protection;

Cowhide split leather is tough against rubbing and scraping—ideal for loading, framing, and material handling.

Key Features

- **Durable & abrasion-resistant:** Great for handling rough materials.
- **Good grip:** The textured suede surface improves traction on tools and materials.
- **Comfortable & breathable:** Softer and more flexible than thicker top-grain leather.
- **More affordable:** Costs less than full-grain leather gloves without sacrificing most protection.
