- High Visibility & Reflective Safety Design Made for safety-critical work environments. These hi-vis work pants feature bright Yellow / Orange colors with wide reflective strips around the legs to ensure maximum visibility during day, night, and low-light conditions. Ideal for construction, roadwork, traffic control, landscaping, and outdoor jobs.
- Durable Ripstop Fabric & Water-Repellent Finish Constructed from heavy-duty polyester with a scratch-resistant and ripstop weave, these work pants withstand harsh jobsite environments. The water-repellent treatment effectively resists light rain and splashes, keeping you dry and comfortable during outdoor tasks.
- Multiple Utility Pockets & Tool-Carrying System Designed for professionals who require convenience and efficiency. Features two large breathable mesh front pockets, two rear pockets, and multiple tool loops, mini pockets, and hanging compartments for carrying pliers, screwdrivers, utility knives, measuring tools, and other essentials.
- Kneepad-Compatible Design for Long Kneeling Work The knee area features a built-in kneepad pocket (inner knee pouch), making the pants suitable for workers who need long periods of kneeling—such as flooring installers, electricians, mechanics, plumbers, garden workers, and repair crews. Reinforced knees enhance durability.
- Comfortable Fit, Easy Care & Wide Size Range Available in 28W–44W in multiple length combinations. Breathable mesh pocket fabric improves air circulation. Machine washable or hand washable (max 40°C), tumble-dry safe, ironable, and bleach-free. Suitable for heavy-duty outdoor work, warehouse jobs, rain days, or everyday utility wear.
