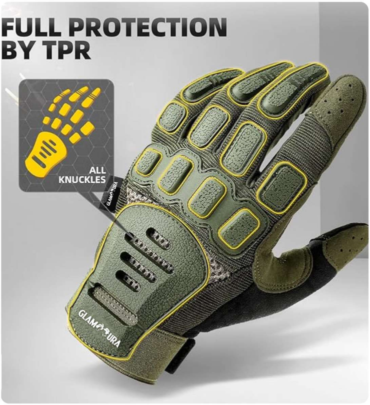
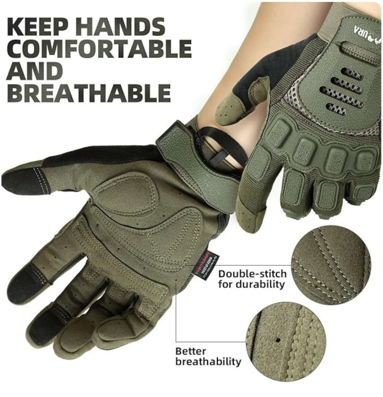
TPR IMPACT PROTECTION LEATHER GLOVES

Product overview

Touchscreen Tactical Gloves with TPR Finger Impact Protection & Palm Padded





KEEP HANDS COMFORTABLE AND BREATHABLE
Double-stitch for durability
Better breathability

- **TPR impact protection gloves: The back and joints of black tactical gloves are covered with TPR materials, while the palm is covered with micro-fiber and built-in foam. This design helps to absorb and dissipate high-impact energy, meeting the EN 13594 impact standard.**
- **Lightweight & high dexterity paintball gloves: These black airsoft gloves men are designed for high dexterity and comfort. The special design of the index fingers allows for trigger finger dexterity and functionality, while the fingers can easily bend and make a fist to improve grip and control.**
- **Comfortable & Touch capable black motorcycle gloves: The first part of the thumb, index finger, and middle finger are made of touchscreen material. This allows you to touch computer or phone screens sensitively. Quick-drying mesh material is highly elastic and can dissipate heat quickly.**

HIGH-SENSITIVE
TOUCH
CAPABLE

Key Features

- **Durable work gloves: These black tactical duty gloves are designed for durability, with a reinforced palm and double stitching for heavy duty. The adjustable wrist strap design ensures a perfect fit for your hand. They are excellent multi-purpose gloves suitable for airsoft, paintball, motorcycle riding, work, driving, cosplay, and other outdoor sports.**
