Material Handling Gloves

Top grain cowhide material handling gloves,10 2750,Golden Yellow

---

Purpose of Product

- Heavy duty full size leather cuff ensures safety and protection. Sewn on pull tab for convenient snug fit. Seams at critical areas are welting reinforced for added seam protection from flame, sparks, and spatter. Seams are sewn with DuPont KEVLAR Tex 70 and Tex 90 thread (twice tensile strength and heat resistant of same size conventional polyester/nylon), to increase seam strength and durability and to minimize seam stitch burnout.

- Heat insulation.
- Sweat absorbent
- Seams are sewn with DuPont KEVLAR Tex 70 and Tex 90 thread (twice tensile strength and heat resistant of same size conventional polyester/nylon), to increase seam strength and durability and to minimize seam stitch burnout.
